

THE LONGEST DAY® FUNDRAISER

This June 2019, Lynndale, Inc. will participate in The Longest Day®, a fundraising event benefiting the Alzheimer's Association. On June 21, people around the world will do what they love to honor a caregiver, a person living with the disease or someone they've lost while raising funds and awareness to advance Alzheimer's care, support, and research.

Donate today and show your love for the 47 million people living with Alzheimer's worldwide and the caregivers who generously dedicate themselves to those with Alzheimer's and other dementias.

Please visit our fundraising page and make a secure credit card donation today. Your gift is tax-deductible to the fullest extent allowed by law.
